

11 April 2017

Dear Active Fakenham Criterium Rider,

I am very pleased to let you know that your place in the **Active Fakenham Criterium race on Easter Sunday 16 April 2017** is now confirmed. Details can be found on the Active Fakenham website . <http://www.activefakenham.org.uk/fakenham-criterium-race/>

### Summary

- When you arrive at the Fakenham Community Centre, Oak St. NR21 9DY, go to the registration desk to collect your number and timing chip.
- We are using the MyLaps Active Chips timing system. You can hire a chip if you do not have one at registration. They can be purchased in advance from Ken Jolliffe [cyclingken8@gmail.com](mailto:cyclingken8@gmail.com) as they need to be activated with your details. [www.mylaps.com/en/products/prochip-flex/241](http://www.mylaps.com/en/products/prochip-flex/241) Make sure you return your chips if you hire one as we will be charged and you will remain registered to that chip
- Parking: TESCO and Aldi are allowing all day parking for free. There is free parking a couple of minutes away at the Highfield Road car park. There is drop off at the Community Centre but very limited parking and this is pay & display even on Ester Sunday. Otherwise there are other car parks around the town. Obviously we do not know how many spectators will be attending and there is also a British Cycling Criterium Race so there may be issues but there is plenty of parking around the town.
- Public transport in Fakenham is very limited and on a Bank Holiday The nearest rail stations are Kings Lynn (22m) and Norwich (26m)
- Food & drinks will be available in the town centre. There is a coffee stall, smoothie bikes and Thai food stall on the market place and there are many cafes and pubs in the town and part of the reason for the day is to promote the town and its facilities.
- Registration will close half an hour before your race. We do not expect to be accepting new registrations on for the men's races. There are still some Youth and Women's places available and they can register on the day
- The races are run under British Cycling rules and regulations and you should ensure you are familiar with these as part of your licence agreement. For example, there are no disk brakes allowed, there will be a gear check for youths etc. **You must bring your licence with you to registration.**
- Your Commissaire on the day will be Derek Lusher and Chief Judge is Len Fletcher. Ian Doe is overseeing the event for BC and I am responsible for overall management of the day.
- Please be polite and thoughtful towards the helpers who are voluntarily giving up their Easter Sunday to make this event a success. **Please do NOT drop litter**

I hope you have a great day enjoying the best of North Norfolk cycling.

I look forward to seeing you there

Best wishes

*Richard*
